GOOD NEWS

No Traffic Accident Mars Holiday Period

Not one single traffic accident took place in Daly City over the holidays!

With death striking all around on the Bayshore, in San Francisco and on the Junipero Serra highway, Daly City streets were free of terror and bloodshed.

This remarkable safety record was reported today by the local police department, whose outstanding work during the past two weeks has won commendation throughout the city.

Despite holiday drinking and the consequent increased danger on the roads—despite inclement weather which made streets slippery and visibility poor—despite Daly City's location on the outskirts of a large city—local police officers were able to keep traffic hazards down to an absolute minimum.

Constant and vigilant patrolling of the streets was given as the reason for this phenomenal record. Speedsters and drunks were picked up as soon as spotted and traffic signals rigorously enforced.

On New Year's day alone, the police patrol car showed that a total of 82 miles had been patrolled during that one period of 24 hours.

While police were receiving congratulations, the local firemen were also given their share of a bouquet, since not so much as a single false alarm disturbed Daly City's holiday tranquillity. No decorated tree burst into flames, no Santa singed his whiskers, no fire-place smouldered past the danger point.

Up on Irvington street, a housewife locked herself out of her home and called for the assistance of both the fire and police departments to gain entry through her second-story window.

Both San Francisco and Peninsula police might well envy a police blotter which yields no more exciting holiday news than "Lady Locked Out."

BUSINESS AS USUAL

Recreation Dept. Resumes Classes

Taking a long breath after the holidays, the WPA Recreation department prepares this week to "resume business as usual".

Miss Jehan Dorn's Tuesday and Thursday evening classes in ceramics and metal-craft re-opened yesterday evening at Jefferson Union high school. These classes are open without charge to any

Daly City Baby Wins In 1941 Stork Derby

Daly City was out in front again—when 1941 was only twenty minutes old!

First baby born in the entire San Francisco Bay Area region in 1941 belonged to Mr. and Mrs. Ernest Woods, 215 Crocker avenue.

The youthful winner of this year's baby derby is a girl. She was born at 12:20 a. m., at Franklin hospital.

She out-distanced her runner-up, a baby girl born to an Oakland couple, by nine minutes.

Meet The People

Which people? Why, the people who live here, the people who work here, of course! The people who belong to your clubs and organizations, the old people, the young people—just meet the people.

Starting this week, your newspaper will introduce a series of features on newcomers to the community, on local organizations, and on interesting persons around town.

These pictures and stories have been planned in line with The Record's objective of increasing newspaper service here. For this week's introductory group see pages 1, 2, 4, 6.

"Half-Way 'Round The World And Back" -- It's All In Day's Work To Oliver Crosthwaite

Adventure and romance—sloping roofs on the other side of the world—the queer jargon of foreign tongues—the steady hum of powerful engines as the great Clipper wings its way over the Pacific—

These are just part of the everyday job of Oliver Crosthwaite, newcomer to Daly City. Many a staid, humdrum business man who has travelled little farther than Sacramento might envy Crosthwaite the job that takes him half way around the world and back again—in only fourteen breathless days!

Crosthwaite's official title is flight steward and purser of the Pan American Clipper . . . and he finds his job an exciting one.

Crosthwaite will land in Hong-

Miss Jehan Dorn Begins New Oil Mural Depicting Role Of Recreation In Community Life

Symbolizing the role that a recreation department plays in the lives of the people, a new oil mural by Miss Jehan Dorn will be ready for exhibition in Daly City some time next month.

A true artist, Miss Dorn spent most of her holidays working on the mural. Expressing in paint the feelings of the artist about recreation, the picture depicts a happy scene of relaxation.

Two dancing figures are shown in the foreground; other participants are playing various games according to their individual inclinations, finding pleasure and profit in leisure time.

The entire painting illustrates the democratic principle which the recreation department strives to embody and the far-reaching appeal of the opportunities it offers.

Measuring four feet by eight feet, the mural is designed for display in a public building.

An art leader with the local WPA Recreation department since October, 1939, Miss Dorn has made scores of friends here during the past year and a half.

In addition to teaching several children's classes Miss Dorn also conducts adult instruction in ceramics, metal craft and similar work.

Eight years of study at famous schools in the United States, Paris and Russia have not spoiled Miss Dorn's casual charm nor her sense

IXNAY, "G-MAN"

Police Warn B B Gun Brigade

Carrying on a veritable "blitzkreig," Daly City boys have had a wonderful time this week smashing in windows and shooting out lights with their new Christmas B B guns.

But holidays or no holidays, the youthful "crime wave" must stop. This was the edict issued today by local police officers, who are planning a "blitzkreig" of their own.

From now on, all guns seen on the street will be confiscated and destroyed. All damage to windows, street lights and other property will be charged to parents of the boys involved.

Police Chief James G. Reardon said today that the "black-out" of certain streets in town made necessary this system of "total warfare."

So—if Santa Claus gave you an air rifle, six-shooter, pop-gun or what-have-you—keep it off the streets if you don't want to join the disarmament program!

Sells Market

Julius Twesten To Take "Rest"

"No, I'm not retiring. I'm just taking a rest," Councilman Julius Twesten explained with a smile today, as he discussed the sale of his Spring Valley market to Louis Galletta.

Twesten, one of Daly City's pioneer merchants, has owned and operated the business, located at 198 Los Banos avenue, for the past 21 years.

The sale of his grocery store will give him the opportunity for a long-needed rest. In his many years in Daly City, he has had

PREVENTORIUM

Launch Campaign To Raise Funds

The San Mateo Preventorium Membership drive opens today (Wednesday), and scores of volunteers throughout San Mateo county are going forth under the banner of "Let's Give Them Health," to help obtain membership for this institution.

A private, non-profit children's institution, dedicated to the care of children with a tendency toward tuberculosis whose families cannot afford to pay for the needed specialized care, the preventorium was founded 21 years ago. Hundreds of boys and girls between five and thirteen years have been restored to health through the care given them there.

Assisting Charles R. Blyth, chairman of the campaign committee, and Ralph McClinton, of Burlingame, chairman of the county-wide volunteer organization, is Joseph Sarto, of the Villa sanitarium.

"I am happy to help," Sarto said today. "I know of many chil-

DRAFT

Board May Be Unable To Fill Jan. 20 Quota

With a quota of 28 men to fill, it appeared unlikely today that the Daly City-South San Francisco draft board would be able to furnish the required number of draftees for compulsory military training on January 20.

Only eleven draftees from this district have successfully passed the rigid physical examinations so far, it was stated on Monday by Mrs. Isabelle Flynn, clerk of the board.

Of these eleven men, one has appealed his case, claiming dependents, while another has reported that he is not a United States citizen. This leaves only nine men immediately available to fill the 28-man quota.

Although there are over a hundred men tentatively classified in Class 1-A and only awaiting physical examinations, it is not thought possible to rush enough men through by January 15 to fill more than about half of the quota. All draftees are required by law to be given at least five days notice before they are sent to camp.

An average of only seven men can be examined each day, Mrs. Flynn explained. Three local doctors and a doctor in South San Francisco are each donating large

D. C. Band Captures Position Of Honor

Daly City may well be proud of its excellent band this week as reports come in from the famous East-West game at Kezar stadium on New Year's day.

The Daly City band was placed first in rank on the 50-yard line by the pageant director of the day. This is a position of honor granted only to bands whose fine appearance, marching and playing merit such distinction.

This year's turn-out was the largest in the eleven years that

COURT

Traffic Accidents Few Last Week

Despite holiday merry-making and stormy weather, traffic accidents in Daly City were few during the past week.

Traffic offenders fined by Judge Wade H. Clay included Anton Uno Pelton, Colma, who forfeited $50 bail on a drunked driving charge; and Richard August Parina, Burlingame, who paid $50 for reckless driving.

Speeding cost Bernard Courtfoi, San Mateo, $10; Richard Gardner Brey, 90 West Clay, $5; B. L. Reynolds, 1875 Sacramento, $5; Patrick J. Murray, 883 Hanover, $5.

Disregarding a signal cost Randolph F. Rasler, 446 Divisadero, $1, and Florencio Olague, 1362 Powell street, $2.50.

Any Old Pictures?

Have you any old pictures of Daly City? If you have, would you kindly phone the Daly City Record or bring them into the office?

The Record is starting to compile copy for the 1941-42 civic and commercial directory. Theme of this edition is going to be "Thirty Years of Progress." Daly City came into being thirty years ago, and this directory will give a review of the growth and development of this excellent community.

Any old pictures? If you have, would you be kind enough to lend them to The Record staff for a few weeks?

News of Daly City's Organizations

Legion Plans "Fathers--Sons" Get-Together Meet

Elaborate plans for a huge "Fathers and Sons" meeting tomorrow evening at Legion hall were announced today by Daly City Post No. 410, American Legion.

All Legionnaires are urged to attend, bringing with them their sons, adopted sons, or step-sons.

Any boy whose father was in the war and has died will be specially welcomed at this meeting, Legion officials said.

It is hoped that an active Sons' organization may be formed here in the near future.

Good entertainment and refreshments are promised for tomorrow night's meeting, which begins at 8 p. m.

Talking pictures from the San Francisco recruiting office, and several distinguished speakers will contribute to the program.

Giving brief talks will be Harry C. Welch, commander of the Twenty-sixth district; Phil Blanchard, first vice-president of the district; Joe Madden, second vice-president of the district; and Winfield Whitney, district chairman of the Sons of the Legion. Whitney was formerly a member of Daly City post before he moved to Menlo Park.

In charge of arrangements here during the evening will be Orville Talmadge and Arthur Quirmbach of the local post.

Hillcrest Druids To Initiate Class

Hillcrest Circle No. 143, United Ancient Order of Druids, will hold a class initiation at their regular meeting, Monday evening. The session will be called to order at 8 p. m. at Masonic hall.

Monday evening, Mrs. Madeleine Fellows, grand arch druidess of the State of California, made another official visit, this time to Asta Circle in San Francisco. Mrs. Fellows is a member of Hillcrest circle.

Stardusters Give Bracelets On Birthdays

A pleasant custom is carried out by the Stardusters club, that of giving each member an engraved bracelet on her birthday.

Last month two girls received this token of affection, Miss Betty Morris and Miss Lillian Giannecchini, both of whom celebrated birthdays in December.

Eastern Star Installs Associate Conductress

Installation of Susan Ramsey as associate conductress was one of the highlights of a stated meeting held Monday evening in the Masonic temple by Crocker Chapter No. 382, Order of the Eastern Star. Following the installation was a program in charge of Doris Franke and James Reeves.

The committee for the evening included Freda Schade, chairman; Julia Romer, Louise Eliasen, Florence Hopman Wilhelminna Barner and Babe Schade.

Rod And Gun Club Plan Installation

Turkey sandwiches, a three-piece orchestra, and dancing helped the Daly City Rod and Gun club to welcome the new year in fitting style last week.

More than forty couples attended the gala New Year's Eve party, held in the club-rooms at 5646 Mission street.

Next big event for the local sportsmen's club will be their installation banquet, Tuesday evening, at the Colma Italian restaurant. All members and friends are cordially invited to attend.

Daughters Of Israel Elect Mrs. Benjamin President For 1941

Daughters of Israel elected Mrs. Helen Benjamin their president for 1941 at their last regular meeting at 67 Los Banos avenue.

Mrs. Ann Lutzker was chosen vice-president; Mrs. Marian Plansky, secretary; Mrs. Fannie Kanter, treasurer; Mrs. Sue Plansky, conductress; Mrs. Mary Dobbs, guardian; and Mrs. Rose Lipmann, Mrs. Ann Rosenthal, and Mrs. Jane Pearlman, trustees.

The new leaders will be officially inducted at an installation dinner at Diller's restaurant, 89 Turk street, San Francisco, on Tuesday evening, January 28.

Daughters of Israel report that a large crowd attended their recent Chanukah party, December 29. The huge basket of groceries, awarded annually, was won this year by Miss Gertrude Squier, who attended the event with her mother.

Chanukah is a Jewish festival of eight days, opening December 25, and celebrates the victory of the Israelites over the Macabees. This year's Chanukah celebration was under the direction of Mrs. Sadie Green.

Activities for the coming months will include intensive work on British War Relief activities. The public is cordially invited to attend these Wednesday morning meetings, beginning at 11 a. m. at 67 Los Banos avenue. Sewing, knitting and many other activities for aid to England are in progress.

Crocker PTA Postpones Meeting

Crocker PTA will not hold its regular meeting on Tuesday, since members are planning to attend the North-End conference of seventeenth district at Jefferson Union high school on Monday.

Mrs. Hazel Cassasa, president of the unit, announced today that an executive board meeting will be held tomorrow at 600 Templeton avenue. This meeting will follow the metal and ceramics classes which resume work tomorrow morning. Members are asked to bring sandwiches with them and to go directly from class to the board meeting.

The board will definitely decide whether or not the Sew and Sew club will lunch at Lucca's on the following day. All members are asked to attend, since several other important decisions must be made. Without a regular meeting of the unit this month, the board will have to decide many matters ordinarily discussed at the general session.

Royal Neighbors Install New 1941 Officers

Friday evening was a gala night for Vista Grande Camp No. 6035, Royal Neighbors of America, as they installed new officers for 1941.

The holiday spirit pervaded Eagles hall, as shimmering evening gowns and beautiful corsages added to the occasion. Installing officer was Effie Ridley, district deputy. Assisting her was Gertrude Gehringer, member of Vista Grande Camp for the past thirty years.

Outgoing oracle, Lillian Parker, became past oracle; Doris Burdick, the new oracle; Ocie Ainsworth, vice-oracle; Anna Romer, chaplain; Lucy Nelson, recorder; Johanna Hedvall, receiver; Agnes Wood, marshal; Estelle Peterson, assistant marshal; Grace Coolish, inner sentinel; Cinderella Weller, outer sentinel; Clarise Scott, manager and flag bearer; the Graces: Lottie Putman, Faith; Cora Ray, Courage; Frances Windhurst, Modesty; Maria Rodrigues, Unselfishness; Lila Therry, Endurance, and Mrs. Mattie Smith, musician.

Two visitors were present, Alice Didier, from the Mission camp in San Francisco; and Mrs. Cummings, a visitor in Daly City from Nebraska.

Following the ceremonies, lovely refreshments were served by the committee, which included Anna Smith, Maud Appleton and Emilie Twesten.

Present at the installation rites were several members who have belonged to the Royal Neighbors for nearly as many years as Daly City has been established. In addition to Gertrude Gehringer, who has belonged for 30 years, Cinderella Weller has been a member for 25 years; Doris Burdick for 21 years; Clarise Scott for 14 years and Johanna Hedvall for 21 years.

On behalf of the members, Effie Ridley, district deputy, presented Lillian Parker, retiring oracle, with a beautiful membership pin.

Stockings for a Queen

Weaving is one of the oldest arts, but knitting was not discovered until about 1400. Some 200 years later, Rev. William Lee of Nottingham, England, invented a knitting machine. He knit a pair of stockings for Queen Elizabeth but she was reported as disappointed because they were coarse. Rev. Lee then perfected a new machine, and knit the queen a pair of silk stockings.

Legion Auxiliary To Entertain Entire District

Daly City Unit No. 410, American Legion auxiliary, will entertain the entire Twenty-sixth district auxiliary, Friday evening, at Legion hall.

District President Helen Madden will preside at the meeting. Distinguished guests will include Department President Mary Ann Holt and several of her officers.

The meeting will begin at 8:30 p. m. and will be followed by refreshments. All members are cordially invited to attend.

Daly City unit will hold its regular business meeting at Legion hall tonight at 8:15 p. m. The meeting was postponed from last week because of New Year's day.

Membership Chairman Naomi Murphy announces that the local Legion auxiliary has made its membership quota for 1940.

Sister Of Mrs. Meritt Hurt In Accident

Mrs. Josephine Plumley, sister of Mrs. Bert Meritt, 244 Hillside boulevard is recuperating at Mills Memorial hospital from a serious accident on the Bayshore highway, one mile south of Redwood City.

The collision occurred on Christmas night while Mrs. Plumley was riding with her family. After stopping to see if they could repair a flat tire, they had proceeded about 200 yards down the highway, when a machine containing two Belmont youths crashed into the rear of the Plumley car.

Mrs. Plumley was dragged unconscious out of the burning wreckage by her husband, Grant Plumley. At Mills Memorial hospital, 18 stitches were taken in the back of her head. She also had a broken pelvis bone and a fractured vertebra. It is feared she will have to remain in a plaster cast for six or eight weeks.

The occupants of the other car were also injured. Mrs. Plumley makes her home at 325 Holyoke street, San Francisco. Plumley is a member of Colma Vista Grande Aerie No. 1848, F. O. E.

Mrs. Plumley will be transferred to a San Francisco hospital shortly.

Swank De Soto Convertible Available

A rakish new De Soto Convertible Club Coupe, offering a new "high" in visibility and providing six-passenger capacity, has just been announced by James E. Donahue, Daly City De Soto-Plymouth dealer.

"The De Soto Convertible construction this year is entirely new and outstanding," reports Donahue. "Two windows at either side of the back seat have been added by De Soto designers, and not only do these windows protect rear seat passengers when the power operated top is down, but they provide an unprecedented amount of visibility for this type of car when the top is up. These windows may be raised or lowered at will, and in inclement weather, when the snug-fitting top is up, the De Soto convertible provides all the advantages of a closed car."

The new coupe, points out Donahue, can almost pass as a convertible phaeton because of its full width rear seat and the ample leg-room in the rear passenger compartment.

"Coming in eight eye-appealing color combinations, the Convertible Coupe, like all others in the 1941 De Soto line, is even longer and lower than before," he went on to say.

IT'S THAT TIME

Officials Urge Motorists To Renew Plates Early

It's time to renew those automobile license plates!

The annual period for renewal of registration is January 2 to February 4.

"Apply early and save yourself inconvenience later," is the advice of State officials to California's millions of car-owners this year.

Renewal procedure consists of three simple steps, summarized by the California State Automobile association as follows:

Look at the 1940 registration card, which should be in the driver's compartment of the car as required by law.

Note the total fees for 1941 as stated in the lower left-hand corner of the card. This replaces the former postcard notice. The total consists of the $3 registration fee and the vehicle license fee at the rate of $1.75 per $100 of car value.

Take the 1940 card and amount of 1941 fees to any office of the Department of Motor Vehicles or, if a member of the Automobile association, to any of its 34 offices.

After February 4 delinquent penalties will double the registration fee and add 50 per cent to the vehicle license fee.

Daly City car owners will find a full staff of workers waiting to help them at the San Francisco office of the Department of Motor Vehicles, 160 South Van Ness avenue. Office hours for the public will be the usual 9 a. m. to 5 p. m., Monday to Friday, inclusive, and 9 a. m. to 12 noon on Saturday.

Past experience shows, officials state, that the best time to apply is January 6 to 31, in order to avoid waiting in long lines present at other times.

Tees for Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early aiblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

Short Wave—

General Electric company's short-wave transmitter, now at Treasure Island, where it operated during the Golden Gate Exposition, will be moved to Belmont, it was learned today. The station will operate as an international broadcasting station.

Work is scheduled to start soon on the station, one of a small number of short-wave stations in the nation.

FIRST '41 COUPLE MARRIED HERE

—Photo by Staff Photographer Dale Hovey

Above are shown the five people who played leading roles in the first 1941 marriage solemnized locally. Left to right are Arthur Linhares and Mrs. Mary Milano Shepston, attendants; Mrs. Joseph Milano (the former Miss Leone Romano of San Francisco) and Joseph Milano, the newlyweds, and Judge Wade H. Clay, who read the ceremony. The wedding took place at the home of Judge Clay, 79 Guadalupe avenue.

Joseph Milano, former Daly City student, and Miss Leone Romano, 1656 Powell street, San Francisco, believe in starting a New Year off right.

The young couple said "I do" at just one minute past the stroke of midnight, December 31. They hold the unique honor of being the first couple married in Daly City during 1941.

Judge Wade H. Clay performed the ceremony, which took place in his home at 79 Guadalupe avenue. Dressed in a Dubonnet and peach suit, the bride wore two lovely orchids.

Attendants were Mrs. Mary Milano Shepston and Arthur Linhares. An informal reception for close friends followed the ceremony.

Milano is well-known in Daly City, where he made his home at 398 Templeton avenue. From now on, he and his bride will make their home in Mill Valley.

HAPPY BIRTHDAY

Mrs. Anna Stinson Observes Birthday

On December 29 Mrs. Anna Stinson celebrated her ninety-fourth birthday. She now lives with her daughter, Mrs. E. L. Scott, 54 Parkview avenue.

Born in Beverly, Massachusetts, Mrs. Stinson spent her early life in the Far East and Middlewest. In 1907 she moved to Oakland, then to Daly City in 1928.

Mrs. Stinson's family is steeped in American history and tradition. Her mother was a first cousin to John Adams who was one of the signers of the Declaration of Independence. American school children also know that John Adams was the first vice-president of the United States and that he became president following George Washington. Mrs. Stinson's father and two brothers belonged to the Grand Army of the Republic during the Civil War.

Marriage brought a relative of another United States president into the family. Mrs. Scott's husband was a cousin to Grover Cleveland.

CHEVROLET

No-Rol Mechanism Boon To Drivers

Without fanfare of public introduction, Chevrolet's efficient accessories department made available to western motorists one of the most needed mechanisms, it was disclosed today by M. J. Soldavini, Belli Motor company. That device is the No-Rol, expressly designed for motorists in hilly or mountainous regions, and which performs the functions described by its name.

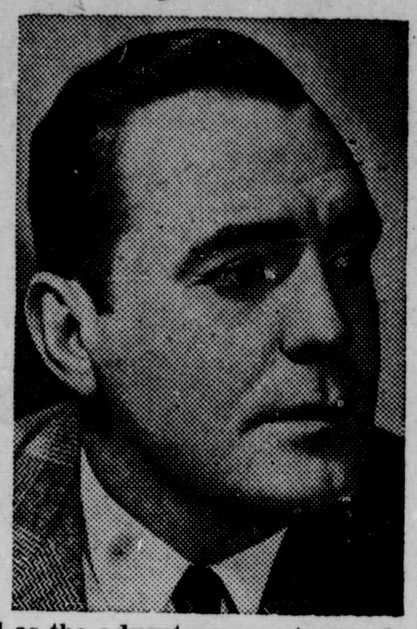
"By preventing cars from rolling backward on hills, No-Rol gives the Chevrolet owner-family distinct driving advantages and new safety factors," the Chevrolet executive observed. "A study of the mechanism's abilities shows at once why it has been singled out of the large group of Chevrolet accessories created for the 1941 lines."

According to the Chevrolet man, No-Rol is a mechanism that becomes part of the braking system. It forms an automatic check, by retaining the hydraulic pressure developed in the braking system, when the car is stopped on a hill.

"In driving on steep traffic hills is No-Rol especially noteworthy in its performance as a driving aid," the Chevrolet executive declared. "The device holds the car on uphill slopes and thereby removes those traffic jitters which come to many drivers. With the car secure on the hill, the worries over slipping clutch, clashing gears, or grabbing for the emergency brake, are removed. The driver has no fear of being pulled back by gravity and hitting a car in his rear, while trying to get started on a steep grade in traffic."

Motorists in many Pacific Coast cities are welcoming the device, Soldavini said, because it "fits the pattern" of western driving, not only in the metropolitan centers, but in mountainous terrain.

Dynamic Action Film, "Flowing Gold," Opens Tomorrow At Daly City Theatre



Pat O'Brien and John Garfield as the adventuresome team who roam the Texas oil fields in search of "Flowing Gold." The screen version of the Rex Beach novel will open tomorrow at the Daly City theatre.

The Daly City theatre will continue its new season parade of film hits so auspiciously begun with "All This, And Heaven Too," "My Love Came Back," and "They Drive By Night," with "Flowing Gold" starring John Garfield, Frances Farmer and Pat O'Brien. The screen transcription of Rex Beach's widely read novel is to have its local opening tomorrow.

The locale of the dynamic action-drama is Texas' great oil fields, the sprawling strip of land where men ruthlessly fight to capture flowing gold — the rich black oil that has lain in waiting since prehistoric time to gush geyser-like into the air.

Against this vivid background is painted the enthralling story of love, greed, and high adventure. John Garfield and Pat O'Brien are seen as itinerant oil workers who meet and fall in love with Frances Farmer, beautiful daughter of their eccentric prospecting employer. In a series of swiftly-paced scenes the pair saves the girl's wells from conniving rivals, and again come to her rescue when the wells are set aflame. The likeable trio are well suited to their parts, Garfield and O'Brien having had a great deal of experience in rugged, virile, roles, while Miss Farmer will be remembered by many filmgoers as the lovely outdoor heroine of Edna Ferber's "Come And Get It," a hit of several years ago.

The eagerly-awaited film includes such names as Raymond Walburn, Cliff Edwards, the late Granville Bates, Jody Gilbert, Tom Kennedy, and William Marshall in its supporting cast.

Companion feature on the new bill will be "Dispatch from Reuters," with Edward G. Robinson.

Influenza Keeps Chief Chesney Home

Influenza still made news this week, as it continued to attack local residents both with mild and more severe cases.

Recovering at his home, 298 Crocker avenue, Fire Chief Andrew P. Chesney is one of many persons in Daly City who have been kept in bed for the past week.

Fire Chief Chesney's friends throughout the city wish him a speedy return to health.

Miss Dorn's morning classes in ceramics and metal art will resume work as usual at 9:45 a. m. tomorrow morning. These classes are also without charge, conducted for two hours each Thursday morning for the convenience of housewives who find it impossible to attend an evening session.

Jefferson Union high school gymnasium is once more in use, under qualified leaders from the recreation department, according to Bruce H. Boynton, local supervisor.

Grammar school centers did not close during the holidays, Boynton reports, but remained open to care for the younger children.

DALY CITY DIGGINS'

"It's All In Fun"

By BOB KEELY

We retired at 10 p. m. New Year's eve without so much as a toast, even, to the new year, and still woke up with a headache New Year's day. Such is life. And the worst of it is, nobody believes us.

Before we get off the New Year subject, we'd like to nominate the Daly City theater manager, Bill Smeltzer, for passing out the most sincere New Year greetings. Bill actually makes you look forward to a bigger and better year.

Tom Wisne, service station man, is the flu's latest victim here.

Joe Sarto back from the Rose Bowl, gives the parade preference over the football game.

SNAPSHOTS: Wonder what the big attraction at the Theater Sweet Shop is, these afternoons? . . . What a party the boys at Belli Motor had at Ric's Place over the holidays . . . they neglected to invite the press, tho . . . Tom Doyle keeps one pin ahead of yours truly at the local bowling alleys . . . we'll catch him yet . . . Mayor Fahey even challenged us to a bowling match . . . so Lena is going to give us lessons . . . a musical toast to the Daly City Band which really sparkled at the East-West game.

See you next week, providing . . . as the editor says.

(Editor's Note: as the editor says, "Now, would a guy like Keely be in bed at 10 p. m. on New Year's eve?" For the answer, turn this page upside down.)

NOPE!

Julius Twesten

many cares on his shoulders besides those of his own business.

Twesten will continue his public life and social activities as usual, he said. Asked about his plans in regard to the city council election in 1942, he replied that it was "too early to make a decision yet."

Councilman Twesten's long years as a local businessman and public leader have been busy and eventful ones. During that time he has seen many changes and much progress in Daly City.

When the Spring Valley Market was first opened, the vertical streets were paved in the Vista Grande tract, but the cross-streets were yet to come. What is now a lovely residential section was then mostly unoccupied land, dotted with frame houses.

In the year 1921, Twesten joined the Daly City Volunteer Fire department, of which he has been a member ever since. For two years he served as captain of Company No. 2, and for two years as its fire commissioner.

Now head of the board of fire commissioners, Councilman Twesten holds the position of past president of the Daly City Veteran Firemen's association. He is also a member of Crocker Lodge No. 454, Free and Accepted Order of Masons.

In the fall of 1929, Twesten resigned his position on the local high school board of education to accept a seat on the Daly City board of councilmen.

Twesten has served with the city council consecutively since that time, holding many positions of the highest responsibility and distinction.

At present, Councilman Twesten makes his home at 306-A Knowles avenue, a modern new house into which he moved only a few days ago. Living with him are his wife, Mrs. Emilie Twesten, well-known leader in club circles here, and his daughter, Miss Irene Twesten, clerk at the local water department.

Twesten has two other daughters, Mrs. Alice Natoush, Burlingame, and Mrs. Margaret Linnes, San Francisco. Both Irene and Margaret are graduates of Jefferson Union high school, while Alice is a graduate of a San Francisco high school.

DALY CITY BAND AT EAST-WEST GAME

—Photo by Staff Photographer Dale Hovey

Sunshine glitters on smart uniforms and polished brasses as Daly City's municipal band prepares to make its entry into Kezar stadium for the famous East-West game.

This was the eleventh consecutive New Year's day that the Daly City band has appeared at the annual football classic. Winning special honors this year, the band's performance was cheered by thousands.

Hundreds Hear Commander Scott

More than four hundred people packed the Jefferson Union high school auditorium, Monday evening, to hear Commander A. W. Scott, retired Royal Naval Air Service man, in one of his exciting reviews of "Unreal Realities."

Commander Scott travels thousands of miles yearly as a speaker for the Greyhound Lines. The commander scouts up and down the highways and byways of America, searching for the "Unreal Realities" which form the basis of his talks and radio programs.

Also on the same program was an excellent sound-picture, "They Discovered America," a honeymoon tour of the United States featuring Eleanor Stewart and Robert Kent.

Everyone who attended the fine performance agreed that it was well worth braving the wind and rain to hear Commander Scott.

BOWLING

Cliff Curry Takes Top Honors

Knocking over 225 pins, Cliff Curry, captain of Colma Vista Grande Aerie A team, took top individual game honors in the Eagles Peninsula Bowling league on Monday night.

Curry's sensational score, the highest to be made so far in the league, climaxed an evening in which the A team took two games away from South San Francisco and rose to third place in the league, tying with Golden Gate B.

Meanwhile S. F. Aerie No. 5 chalked up two victories at the San Francisco bowling alley, defeating Colma B team two games to one.

Present league standings are as follows:

	W	L	Pct.
Golden Gate A	14	1	.933
Redwood City	9	3	.750
Colma A	9	6	.600
Golden Gate B	9	6	.600
S. F. Aerie No. 5	4	11	.166
Colma B team	3	12	.166
South San Francisco	3	12	.166

At two recent games, Colma A team defeated Redwood City, 2-1, and San Francisco Aerie No. 5, 2-1.

On Monday, December 27, the Colma B team won their first two games and lost one to South San Francisco.

In the Colma A vs. Aerie No. 5 game, William Johnson was high man with 537 total, while in the Colma B team, Fred Hanel rated top honors with 443.

Chewing Gum Okayed

Chewing gum, pencils, rubber bands, toothpicks, pipestems and other things are restful and useful forms of exercise for office workers, Prof. H. L. Hollingsworth, of Barnard college in New York city reported recently. Experiments made over a four-year period showed that chewing relaxes tension and allows individuals to apply more energy to the tasks at hand.

Bank Of America Statement Indicates Good Conditions

Bank of America's year end statement of condition, appearing elsewhere in this issue, is of particular interest to this community because it reflects the healthy condition of business in this area, according to F. Erickson, manager of the Daly City Bank of America.

"A specific indication of the great usefulness of the bank to our state is shown in the statement by the huge amount of money at work for business and for individuals, energizing industry and agriculture and stimulating trade and employment here and elsewhere in California. Our branch is proud to have an important part in this activity."

"These new history-making accomplishments of Bank of America prove that our efforts to serve the needs of the community and surrounding area are meeting with wide approval," he concluded.

Seventeenth district CCPT will convene Monday afternoon in the Jefferson Union high school for the annual North-End conference.

Hundreds of prominent PTA leaders from throughout the area are expected to attend the affair, one of the largestPTA events to be staged here during the year.

Chairman of the day will be Mrs. Mildred Seiler, Jefferson Union High School PTA president and district chairman-at-large.

Two State CCPT officials will address the gathering as guest speakers. They are Mrs. Leo B. Hedges, State motion picture chairman, and Mrs. R. W. Marvin, State radio chairman.

Preceeding the conference, Mrs. Hedges and Mrs. Marvin will be guests at a president's luncheon in the Jefferson Union high school cafeteria.

Other guests at the luncheon will include Mrs. George Burns, district president; Mrs. J. M. Foley, first vice-president of the district; Principal James Ferguson of Jefferson and Mrs. Ferguson; Mrs. Stella Jensen, fourth vice-president of the district; and presidents of the following PTA units: Sharp Park, Brisbane, Bayshore, Colma, General Pershing, Woodrow Wilson, Crocker, and Jefferson Union high school.

The general session will be called to order at 1:15 p. m., and all PTA members are cordially invited. The meeting will be followed by a tea.

Oscar J. Busch, Jefferson instructor, will be in charge of the music for the day.

Pershing PTA Board Holds Business Meeting

General Pershing PTA executive board met Friday morning at the General Pershing school, 631 Hanover street, Mrs. Virginia Davidson, president, reported today.

In addition to disposing of routine business, plans were discussed for the re-opening of the cafeteria on Monday. Hot lunches are served at a nominal price to pupils during the winter season.

Yesterday afternoon, Bruce H. Boynton, local WPA Recreation supervisor, was guest speaker at a general session of the unit, called to order by Mrs. Davidson at 2 p. m. Boynton's topic was "Recreation at Home and in the Community."

Entertaining the group after the meeting were Miss Engel's and Mrs. Driscoll's classes of General Pershing school.

Flavor Hints *for* Vegetables

by Dorothy Greig

GRANNY used to say, "All vegetables are more exciting with a bit of fixing up." In her house we'd find little white onions mixed in with the peas, and the peas cooked with sprigs of mint; or a flecking of nutmeg on carrots, or onion-butter over beets. Granny never had to coax the members of her family to eat vegetables. They always passed back for more.

One of my own pet flavor enhancers for vegetables is condensed soups. These being skillfully seasoned in themselves give forth of that flavor to the vegetables. For instance:

Savory Glazed Carrots

2 tablespoons butter
2 tablespoons onions, chopped
2 tablespoons flour
½ teaspoon salt
9-10 whole scraped carrots (5-6 inches long)
1 can condensed consommé

Cook the chopped onions in the butter until soft but not brown. Roll the carrots in the flour and salt and sauté with the onions and butter for about 10 minutes. Then pour the consommé with ½ cup water over the carrots. Cover tightly and cook until tender. Sprinkle with chopped parsley just before serving.

And mealy baked potatoes, good as they are, taste even better as:

Tomato Cheese Baked Potatoes

Bake the potatoes. Scoop out the shells and mash well or put through a ricer. For each medium sized potato add:

2 tablespoons condensed tomato soup
¼ teaspoon salt
Pinch of pepper
2 teaspoons butter
1 tablespoon sharp grated cheese

Mix all together thoroughly and put mixture back in potato shell. Brown in hot oven or under broiler.

Campus Fashions

Old Man Winter has tramped in with days of dreary rain.

Brrr! Get out all your heavy clothes . . . galoshes, rain-coats, umbrellas, long underwear and what have you, because it's going to be a hard, hard Winter for the girls who haven't invested a portion of their allowance in some of the new rain outfits that fashion experts have worked so hard on.

Yep! You don't have to be afraid of ducking into an empty alley when ever you see Him walking down the street for fear that he will think you look like "that" all the time . . . wet hair, old shoes, and an old rain-coat that will make him think of Robin Hood's Barn whenever he sees you.

Fashion experts have gone out of their way to make girls pray for it to rain so they can show off their new stream-lined outfits.

First on the list of rainy-day doodads is the raincoat. Umm, let me think what will it be, reversible, trenchcoat, or the oiled silk type. Reversibles come styled in tweed, in coverts, in corduroys and in plaids. They're made with button-on hoods, or you can wear them with pork-pie felts. Believe me it is a definite advantage to just turn your coat inside out when it rains.

Cuter than a bug's ear is the attractive water repellant pique-finished trenchcoat with notched collar, pockets, and a hood to match. All of this comes in glistening white and is temptingly inexpensive. Last on our list of raincoats is the oiled silk type which can be whiffed into a neat package and tucked away between cloudbursts. They're here in bright blues, reds, dotted or plain styles.

If your new raincoat has a hood you won't be interested in what I am going to say, but if it hasn't I am going to say, let me your ears for a few minutes and I will tell you about some of the scrumptious new umbrellas. I've seen an umbrella made to match your raincoat, one that can be transformed into a walking stick in case the weather man changes his mind in the middle of the day. I've also seen a darling model fashioned with a tiny flashlight in the handle so you can find your keyhole or look for dropped carfare.

The umbrubber takes the lime light this week, for it's one of the handiest rain protectors I've seen in a long time. The umbrubber is a trickey new rainy-day gadget made with a cleverly designed handle into which a pair of rubbers can be tucked away.

The parasol is made of light weight koroseal-coated silk, and is designed in colors to match your raincoat.

Say, Mama, Don't Forget Our Date

Next Wednesday is the time for my check-up. The Daly City Well Baby clinic will be open from 9 to 11 a. m.

No charge is made. Scientific advice and aid in infant care are available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, located at the corner of San Jose avenue and Flournoy street. Visiting hours are the first and third Wednesday mornings of each month.

And, by the way, mama, I hope you've been listening. THIS IS IMPORTANT.

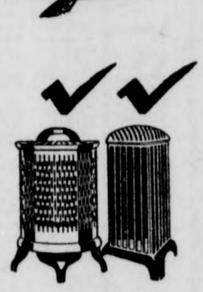
Check winter colds before they start

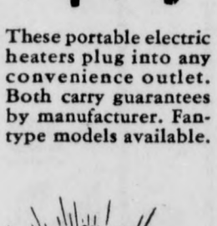
ELECTRIC HEAT



If you move about in your normal activities, you can't keep from getting cold and wet in January. You may have occasional sniffles and sneezes. But the quicker you get dry and warm after a January soaking, the less risk you run of catching cold.

To provide heat that is fast and efficient in all winter emergencies, nothing surpasses the handy portable electric heater. It plugs into any convenience outlet. It starts glowing like the sun in a few seconds. It can be moved closeup without danger. And it will warm a small room like a bathroom in no time at all.

Make sure your home has a quick-acting electric heater for extra heating service right now. The short periods of on-and-off-use mean the cost of electricity will be very little. And if it saves the expense of a sick spell, you'll say it is "just priceless." In fact, that is what thousands and thousands of users do say in praise of the electric heater.



These portable electric heaters plug into any convenience outlet. Both carry guarantees by manufacturer. Fan-type models available.

Were it not for the preventorium their underweight and undernourished little bodies would probably have been ravished by tuberculosis, threatening not only their lives but the lives of their neighbors' children as well. We must remember that tuberculosis is caused by a living germ transmitted from one person to another by direct contact. By preventing tuberculosis in children predisposed to this disease, the preventorium prevents tuberculosis among our neighbors' children, too. 'An ounce of prevention is worth a pound of cure.' Each one of us should give according to the size of our hearts and our purses."

An average of nineteen persons make the trip as a rule, Crosthwaite says. Having spent fifteen years in the catering business in San Francisco, Crosthwaite is well-equipped for his duties aboard the giant air-liner.

Crosthwaite moved to 112 Bepler street in Daly City shortly before Christmas with his wife and their little daughter, Billie Joann. Bank of America Showing Surpasses All Previous Attainments

The year end statement of condition of Bank of America reveals the achievement of new all-time high marks in virtually all of the bank's activities. This satisfactory result is attributed by L. M. Giannini, president, to expansion of business in the territory served and increasing public acceptance and use of the facilities and services of California's only statewide branch bank.

As of December 31, 1940, Bank of America deposits totaled $1,632,228,000, an increase of $149,436,000 during the year. Total resources stood at $1,817,535,000, a gain of $188,948,000 in the same period.

The aggregate of loans and discounts outstanding was $778,295,000, which is $67,240,000 more than a year ago. Cash and bonds amounted to $977,032,000, an increase of $124,497,000.

CAPITAL FUNDS UP

With the $30,000,000 of preferred stock subscribed by stockholders on June 10, 1940, capital funds, including capital, surplus, undivided profits and reserves, now total $156,337,000, an increase of $37,484,000 during the year. This total includes the unallocated reserve of $6,900,000 which was set up on June 10, 1940, out of previously accumulated undivided profits.

EARNINGS HIGH

Earnings for the year were $29,007,000, the largest for any one year in the history of the bank. From this total $4,370,000 was reserved for depreciation of bank premises and amortization of bond premiums and $5,709,000 in reserves was set up and applied to the reduction of the carrying value of assets. After payment of $10,265,000 in dividends at the annual rate of $2.40 per share on the common stock and four per cent on the issue price of the preferred stock, and after $1,176,000 in profit-sharing bonus to employees, capital funds were increased from earnings for the year by $7,484,000 which amount was credited to undivided profits and other reserves.

PREFERRED STOCK

President Giannini announced that on January 2, 1941, the preferred stock retirement fund will be increased to $3,473,000 by a transfer from the undivided profits account and $3,000,000 of the fund will then be used for purchase and retirement of 10 per cent of the entire outstanding issue of preferred stock. Thus, in the period of approximately six months since Bank of America's preferred stock was issued the bank will have made provision for the first four full years of retirement fund requirements.

The President also pointed out that taxes of $7,767,000 paid and accrued during the year, including social security and Federal Deposit Insurance Corporation assessments, were much greater than ever before.

DEFENSE PROGRAM

"Recent figures show California to be second among the states in value of defense contracts received. Employment here is steadily increasing, retail trade is running at a high level, volume of building of all types is increasing," Giannini said. "These basic factors of business advance are expected to expand during 1941 and spread activity into all other related lines. We have laid the groundwork for handling this great expansion of business by starting construction of our new $2,000,000 head office building.

"As we enter the New Year, Bank of America again pledges itself to further the national defense program by aiding and serving all types of business, small and large, through its 495 branches in 307 California communities," the banker concluded.
